# Historical dispatching data

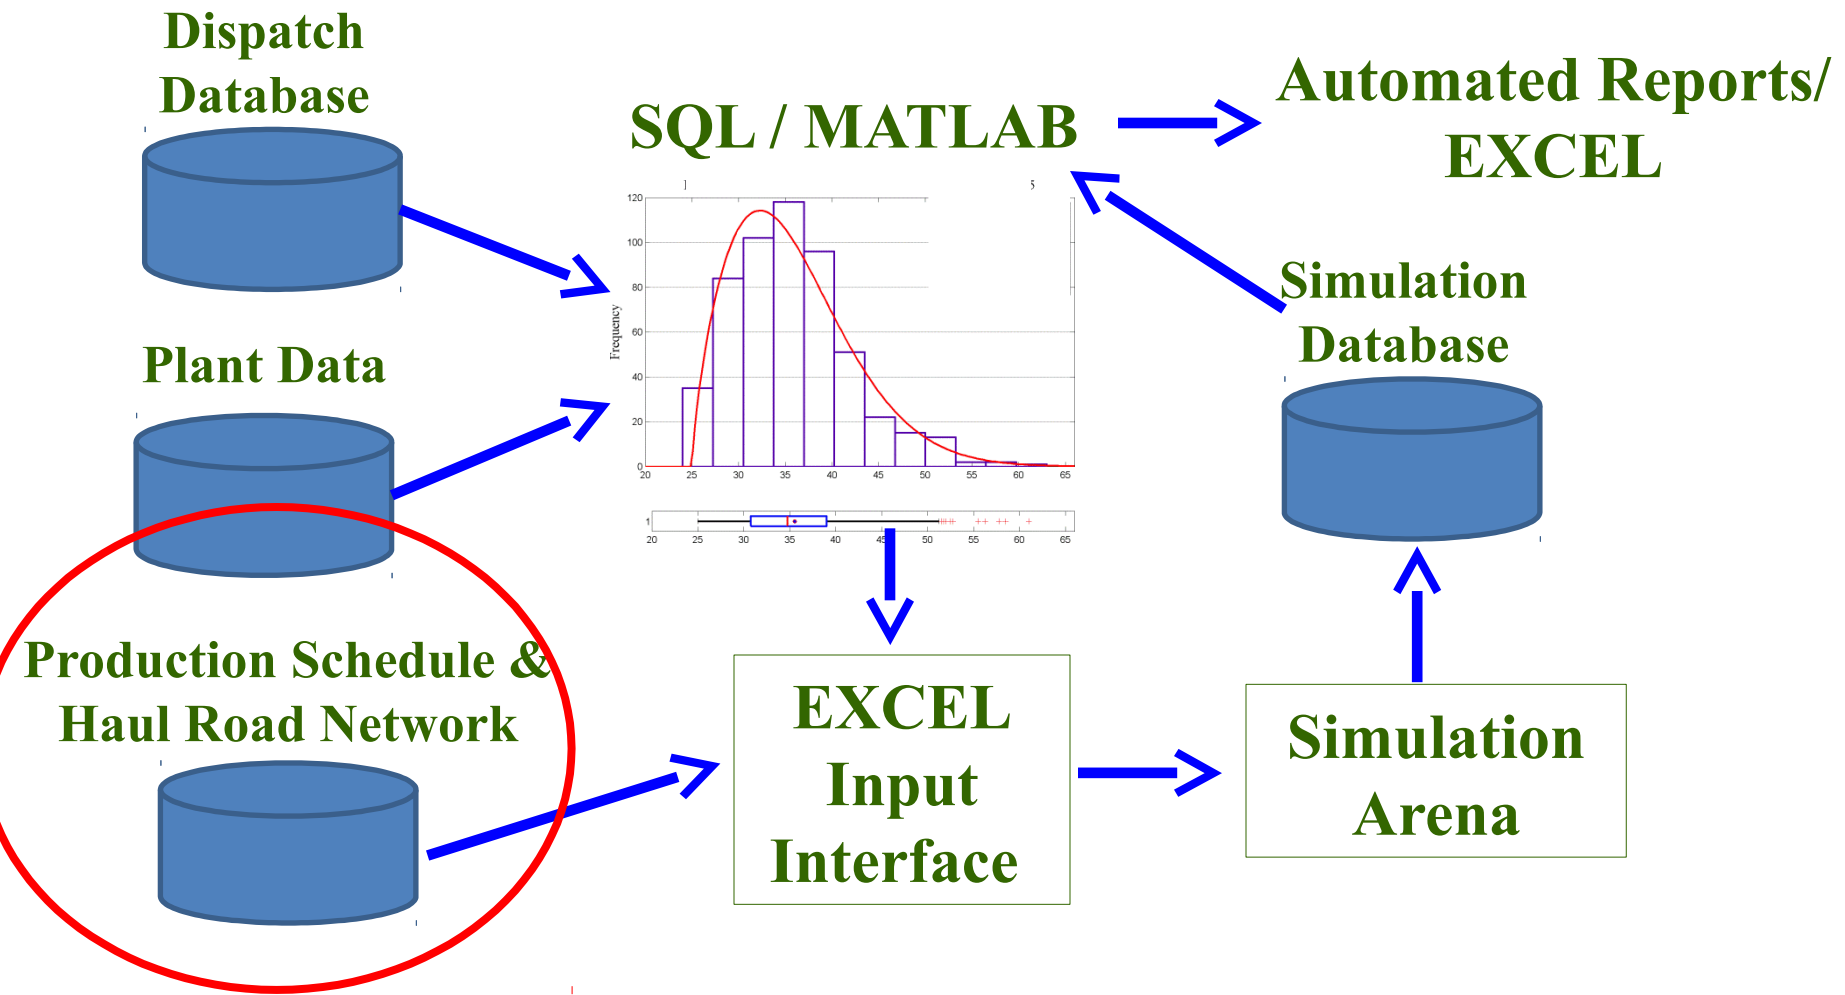

# Historical Dispatch – Production Database

- **Time (Day, Hour, Shift),**
- **Queue Time,**
- **Spot Time,**
- **Load Time,**
- **Bucket Tonnage,**
- **Haulage Time - Full & Empty,**
- **Effective Flat Haul - Loaded & Empty**
- **Truck Speed - Loaded & Empty**
- **Backup Time,**
- **Cycle Time,**
- **Shovel Location,**
- **Dump Location,**
- **Grades / Recovery,**
- **Interrupted Haul / Non Interrupted Haul**

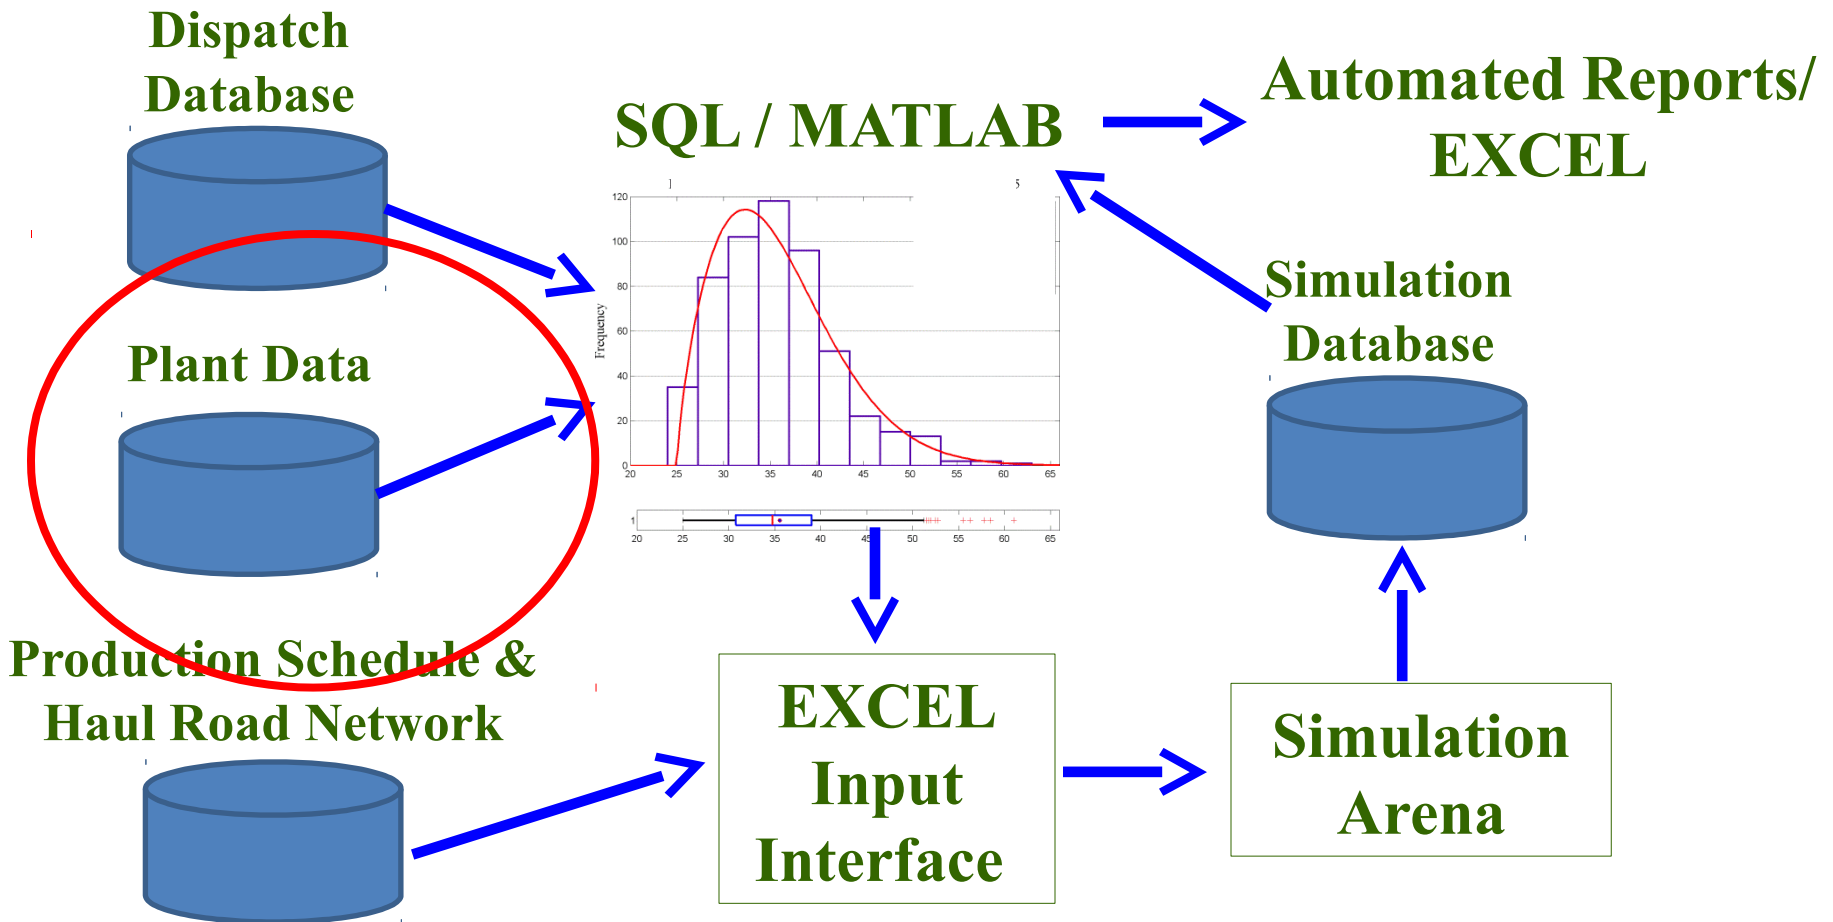

# Historical Dispatch – Activity Database

- **Time Stamp**
- **Equipment Type & Unit**
- **Start time - End Time / Duration**
  - **Uptime & Downtime (MTBF / MTTR)**
- **Reason Codes – + M Regrouped into N New Groups**
- **Categories – 8 Categories**
  - **2 Ops Delay**
  - **3 Ops Stand By**
  - **4 Short Down**
  - **5 Down for Service**
  - **6 Down Technical**
  - **7 Down Waiting**
  - **8 Out of System**
